

2022 SPONSORSHIP

ABOUT US

PB Tennis is managed by tennis manager Pete Bridgewater. Our vision is to make tennis accessible to all, and help players achieve their personal best no matter what their goal.

We have built the coaching programme to a team of 3 coaches working with a programme of over 120 players across 3 venues: Cherry Burton Tennis Club, St Mary's College Hull, and Hull University. We also have a strong social media presence with over 500 Facebook and 250 Instagram followers. Working with the community is vital to us and we have established strong links with 16 schools in the local area.

Coming
2022

Our aims for 2022 are big, we want to grow to over 200 players of all ages attending our programme on a regular basis.

As well as continuing to offer our 30 day trial of the coaching programme for just £5, we are going above and beyond with the introduction of our Team Awards.

Players will be sorted into one of 4 teams. Every player will receive a welcome pack detailing their team as well as a few little gifts such as T shirt and water bottle.

Throughout the year each player will earn team points through their sessions and competitions, at the end of the year there will be an awards evening where we crown the winning team and players of the year. There will also be monthly awards.

PARTNER WITH US

We are growing rapidly, and we are at a stage where we want to partner with local businesses to offer a promotional opportunity to your company, whilst also supporting our programme to grow further.
